Steven C. Groenenboom, P.E., Project Manager
Alan Pennington, P.E., Project Engineer
Stephen J. Green, P.S., Surveyor
Roy Laisure, Chief Inspector
William Timmer, Senior Inspector

Project Description: Design and construction engineering of one mile of road reconstruction, that included widening a two lane road to four lanes with a landscaped median, sanitary sewer, storm sewer and infiltration trench, bike path and traffic signal improvements. Construction was sequenced so that traffic could be maintained for the duration of the construction. Private utilities were all relocated underground as part of the project.
