Date Started/Completed: 4/25/09 – 10/31/09

Original Dollar Estimate: \$ 561,697
Completed Dollar Value: Under Construction

Project Team: Alan Pennington, P.E., Project Engineer
Mark Starr, Field Technician

Project Description: Design and construction engineering of 8,000 feet of 12” and 8” watermain in neighborhoods in south Walker. The water main will provide potable water to 78 residents and 3 schools that have been plagued with poor water quality from wells for 50+ years. The project included developing a Special Assessment District to fund the project.
