

Name of Project: **Zeeland CWP Renovations**

Owner: City of Zeeland

Contact Person Name/Phone: Mr. Glenn Berghorst,
Superintendent
(616) 772-0873

Location of Project: City of Zeeland, Ottawa
County, Michigan

Date of Completion: July, 2010

Project Budget: \$2,700,000
Actual Cost: \$2,650,000

Project Team: John E. Racek, P.E., Senior Engineer
Brian Hannon, P.E., Project Engineer

Description of Project:

City of Zeeland needed improvements and renovations to their existing 1.65MGD Clean Water Plant. The major items of work include a Grit Building, a fine screen, a grit chamber, two sludge storage tanks, a parshall flume structure, a non-potable water system, slide gate replacements, a stormwater retention pond expansion, and building renovations which include new doors, new roofs, interior improvements and all appurtenant work.

New headworks building

500,000 gallons sludge storage tank
